

Name: Dimitri Dimoulakis

Class of works: I am writing in support of Class #1 (Copy-Protected CDs):
Sound recordings released on compact disc ("CDs") that are protected by
technological protection measures that malfunction so as to prevent access on
certain playback devices.

Summary:

Disc name: Android Lust - The Dividing Purchased from amazon.com in December
2002

The CD refused to play in my computer. This is a real problem since for the
past several years, I have been using my computer as my stereo. So now I have
a CD that I purchased that is literally useless to me as it fails to function.
